

**Press Release: Durian presents a composition**

**Worthy Of your love!!!**

***The Colossal Sofa!***

At Durian, we are thinking about you. About your desire for a modern living. We are dedicated to bring you the latest furniture collections **exclusively made in Rome – The City of Love**. Our selection of modern Italian furniture is a combination of luxury materials, selective designs and high quality production. You will be taken to a new way of thinking modern. **Because we care.**

Durian presents a gorgeous modern sofa composition made to entertain, relax and lounge in your living room. Too many sweet details make this sectional sofa the perfect choice for a family, a single professional or a couple. Made of three pieces, it is available in a series of multiple compositions including chaise lounges, ottomans and modern central elements. **Top winning composition**, the layout featured in the picture is made of a terminal element with bed, a long chaise element which can even work as a Sofa Cum Bed. An ottoman completes the set. The back cushions are soft, while the other end element features a container element on the back to give an extra elegant touch. Ample storage space. The sofa set comes in 3-2-1 seater composition. Available in Red & Black colors, the sofa would perfectly suit the needs of people in the **small space** lofts and compact environments of today's inner city dwellers. The sofa is ready for rest or just daydreaming **at your demand**.
